TXEMA
MUÑOZ

It never has been so fun to be waiting.

As if it were a silent film, [Txema Muñoz](#) desires that the train arrives.

While it doesn't arrive, his imagination will go beyond the station where he is.

A light bulb, a jacket and his backpack will transport him to a magical,

endearing and comic place.

[LUMIÈRE](#), a magically familiar comedy show.

Are you getting to the train?
